# Publish

written by Anna Schmidt | September 20, 2024

Publishing in SciTech Magazine is a great way to connect with a community passionate about science and technology. Follow these five simple steps to submit your article and contribute to our mission of exploring the connections between past innovations and future possibilities.

## Submission Process

### Choose a Topic

Pick an engaging science or technology topic that aligns with our themes.

### Write Your Article

Draft a clear, concise article with a strong introduction, body, and conclusion.

### Submit your manuscript

Send your article along with a brief author bio through our submission form or email.

### Engage with Readers

After publication, promote your work and connect with readers through comments and discussions.
